An inspiring and stimulating series in Spanish

A documentary styled series, showing real life for Spanish people and families from different areas of Spain. The series shows authentic portraits of interesting people in different environments (big city, small town, village, coast, the mountains etc) in an easy to understand Spanish. They will all have exciting interests, work, hobbies, families, friends etc, so that even those who are non-Spanish speakers can enjoy a subtitled version..

Every programme starts with an introduction about the area we are in.
